

SECTION 5

2012 SCHEDULE CALENDAR

NOMINATIONS, LIFTING & CYCLE CALENDAR

Explorer Pipeline Company operates on a basis of three (3) cycles per month and pumps product in the following sequences:

ULSD No. 2 Fuel - Diluent - Jet A/Kerosene - Regular Unleaded Gasoline – RFG, RBOB and Premium RFG - Unleaded Premium - Regular Unleaded Gasoline - Diluent - RFG and RBOB - Regular Unleaded Gasoline

In order to have product staged to meet this lifting order, cycles will begin at origins on the following estimated dates:
